DevConf 2019 Sponsorship Proposal

> INVITATION TO OUR SPONSORS

Dear Potential Sponsor,

DevConf, the conference for South African developers, is now in its fourth year of planning, aiming to bring together the entire local developer community for a full day of in-depth discussions in two cities. DevConf 2019 is aiming to reach 1150 developers.

By providing the right sponsorship platforms, we aim to work with our sponsors in providing delegates with further event benefits such as networking, career discussions and opportunities.

DevConf simply wouldn't be possible without the support of our valued sponsors. We have been privileged to have worked with many returning sponsors over the years and hope that this will be the case again in 2019. We also welcome any new sponsors.

We look forward to working with you!

Candice Herodotou & Robert MacLean

Directors | Dev User Group
